

Jejuri Plant has been awarded the Gold award under Apex India Best Fire Safety Measures Awards 2021

Berger Paints India is pleased to announce that our Jejuri Plant has received the Gold award under Apex India Best Fire Safety Measures Awards 2021 in the Chemicals Sector. The event was held on the 25th of November, 2021 at the Apex India Award Ceremony coupled with the Apex India Conference - SH&E 2021 at Novotel Resort and Spa, Goa.

It was graced by esteemed dignitaries such as Hon'ble Shri Shripad Naik (Minister of State for Ministry of Ports, Shipping & Waterways of India), Hon'ble Shri Manoj Tiwari (Member of Parliament), Hon'ble Retd. Major General Shri P.K. Saighal (Defense Expert of India & TEDx Speaker), Hon'ble Shri Lalit Gabhane (Director-General & CEO of National Safety Council of India) and Hon'ble Shri Baldev Bhai G. Prajapati (National President, Laghu Udyog Bharti). Eminent speakers from India as well as other countries participated and shared their experiences on various topics related to the theme.

Apex India Foundation has always put sincere efforts to arrange conferences where renowned Safety, Health and Environment professionals from all over the world meet and share their experiences and exchange ideas so that it will be helpful for the organisation to smoothen the functional cycle.

At Berger Paints India, health and safety is not only a high-priority focus area for us but also an integral part of our business. This award stands as testimony to our goal of preventing fire-related injuries, thereby creating an environment of safety first. We always strive to put in place the best occupational health and safety systems at our workplace, recognising possible fire hazards and evaluating the possible solutions. This award serves as a motivation to continue managing risk and ensuring safety, thereby creating a secure working environment for all.
