

Berger Express Painting Awarded SKOCH-BSE Order of Merit in the Innovation category at the 48th SKOCH-BSE Summit

Berger Express Painting is honoured to win the prestigious and coveted SKOCH-BSE Order of Merit in the Innovation category at the 48th SKOCH-BSE Summit that was held on 19-20 June, 2017 at BSE International Convention Centre, Dalal Street, Mumbai. The Award recognizes the performance of brands for the year and the innovations that they have successfully implemented.

Berger Express Painting emerged as a winner against several nominations / 80+ participants across the nation, including State Bank of India, Tata Motors, Vijaya Bank, Essar Oil and EL&FS. The event was attended by corporate leaders from India.

This award was given after a rigorous elimination process on the basis of various criteria, and reaffirms the performance of Berger Express Painting and its strong brand position.

The Skoch Awards are bestowed to companies that have contributed immensely in the fields of technology, governance, finance, banking, corporate citizenship, economics and inclusive growth.

Berger Paints is the second largest paint company in India and features in Forbes India's list of Super 50 Companies.
