

Environmental Policy

ISSUE - 01, Rev. - 02

Berger Paints India Limited is engaged in the production of paints. We are committed to continually improve environmental performance.

In doing so we shall strive to :

- ♣ Induct sound environmental management systems and practices in all our activities.
- ♣ Minimise the generation of wastes and optimise resource utilisation through recycling or reuse of waste.
- ♣ Implement pollution reduction & prevention methods & techniques in all our activities - To minimize impact on our environment.
- ♣ Impart environmental training to all our employees & create awareness amongst stakeholders.

We are committed to protect the environment and comply with all applicable environmental legislation, regulations & other requirements.

Date of Review: 23.08.2019
